

2006 United States Mint Silver Proof Set™ Available May 10

April 26, 2006

Washington — The United States Mint announced today that it will begin selling the 2006 United States Mint Silver Proof Set™ online and by telephone on May 10, 2006, at 12:00 noon (ET).

The 2006 United States Mint Silver Proof Set features proof versions of the five 2006 commemorative quarter-dollar coins in the United States Mint's 50 State Quarters Program – honoring Nevada, Nebraska, Colorado, North Dakota and South Dakota – as well as the Roosevelt dime and the Kennedy half-dollar, all minted in lustrous 90 percent silver, historically known as “coin silver.” Each of these beautiful silver proof coins has a distinctive cameo appearance created by the contrast of a finely detailed frosted foreground against a mirror-like background.

The United States Mint Silver Proof Set also includes a proof version of the “Return to Monticello” nickel — the final coin in the Westward Journey Nickel Series? – as well as the Golden Dollar and a Lincoln cent.

Produced at the United States Mint at San Francisco, the coins bear the “S” mint mark. The sealed cases containing the coins are inserted into a specially printed sleeve and are accompanied by a Certificate of Authenticity.

Because demand for the 2006 United States Mint Silver Proof Set is expected to be high, customers are encouraged to place orders early. The 2006 United States Mint Silver Proof Set is available for \$37.95.

Beginning May 10, 2006, at 12:00 noon (ET), customers can purchase the 2006 United States Mint Silver Proof Set online through the United States Mint's secure website at www.usmint.gov, or by calling toll-free 1-800-USA-MINT (872-6468) 8:00 a.m. to midnight (ET), seven days a week. Hearing- and speech-impaired customers may order by calling 1-888-321-MINT (6468) 8:30 a.m. to 5:00 p.m. (ET), Monday through Friday.
